Kohl's American Cup

TEAM ENTRY OPEN MARCH 1 - MAY 20

Iowa Soccer is excited to bring the Kohl's American Cup back to Ames, and we want you to start thinking *now* about heading to Ames in June! Team entry opens March 1, so why not start planning now to get your team entered before the spring season kicks off?!

The Kohl's American Cup offers Level 3 soccer players and teams an opportunity to play in a high-quality tournament with a fun atmosphere, where the emphasis is placed on participation, rather than competition.

In 2010, over 100 recreational teams made their way to Ames, and we expect over 100 teams to do so in 2011! Plan on having lots of FUN as the Kohl's Interactive Fun Zone will be back, bringing games and inflatables for a good time between games.

For the seventh straight year, Kohl's American Cup will be Ames, with the Ames Soccer Club serving as local hosts. The leadership and volunteers at ASC have done an outstanding job making the event fun. We know you and your team will have a great time in their games, eating lots of food and enjoying the interactive FUN zone!

Teams are guaranteed three matches. Scores and standings are not kept in U10-below divisions, where every player receives a participation award. Depending on the number of teams registered, age groups may be divided or combined. ***If you have special scheduling requests because of conflicts, contact Gary and he will try to honor them so that you can enter your team!***

Guest Player Rule

Sometimes you can't get all parents to commit to an early weekend in June, so your team is in need of a player or two if it's going to enter the Kohl's American Cup. For that reason, we allow up to two guest players for teams that may otherwise not be able to enter the tournament.

The guest players must be Level 3-registered players (rec. players).

No exceptions will be made, and Iowa Soccer officials will make the final determination of eligible guest players.

Use guest players only if you need them. This allowance is not intended so coaches can exclude available players in order to put together a "tournament team." **Regular-season maximum roster sizes apply.**

**make it a weekend
of soccer, food, fun
& family!
June 11-12, Ames**

**Complete form below, detach and mail with check made out to Iowa Soccer to:
